FROM THE PREZ

January 2010

Hello Everyone:

Thank you Chuck for your excellent leadership of the Spokane Corvette Club. As you look so much like Santa, you certainly will be a tough act to follow. Seriously, thank you and Lori for a great two years.

And thank you everyone for your support for me as President of the Spokane Corvette Club. As I said Saturday night, I am eager to continue the many traditions of our SCC. I feed that having fun at all our events and meetings, being a supporter of numerous non-profit organizations, having fun, the sharing of info on the care of our Corvettes, having fun, building friendships and so much more are the traditions I want to keep.

I will use e-mail to communicate club information (a-lot) and Pat has assured me that she can easily keep up with me with adding my postings to our web-site. Our biggest fund raiser, Glass on Grass, is again the last Saturday of July; the 31st. The park has been reserved so we are again committed, oh yeah! So please consider how you can contribute to this important event in addition to your registration. Ask a friend to show, get a door prize donated, find a \$500 sponsor, set-up, tear-down, clean-up and more. This is a huge showcase for our club and what we do for the community. It's more than the \$500.00 we earmark in our advertising, it's what we've done year after year for over 50 years now. We can be proud of the community spirit our club demonstrates and need to let folks know how we help.

So, I guess that my first official duty is to let you know that: Your dues are due! We will be changing our PO Box number to bring it closer to those that pick up the mail, so best if you send dues direct to Barb Beck at:

**Barb Beck
17823 N. Boston Road
Colbert, WA 99005**

(\$40 - for renewal, \$50- new membership)

Again thank you for your support. I look forward to a fun year ahead.

**See you on the road,
Rex**

Of the 20,742 Corvettes built in 1995, 4,971 were roadsters with a base price of \$43,665. 3,381 cars had the number 10 Arctic White color code.

Corvette Black Book

Our 2010 Calendar Cover is the 1995 Arctic White Roadster owned by Rick & Cathy Neet. Photo was taken in front of the only flying 1928 40-C Boeing Passenger Biplane that is owned by Addison Pemberton out at Felts Field in Spokane, Washington by Arlyn Thurber. The car has 12,000 original miles and is stock except for the 2008 Z06 chrome wheels. It is the same color combination as the 1953 Corvette.

The plane was wrecked on the side of a mountain. Mr. Pemberton purchased the plane and was able to restore the plane to flying status. Many of the parts had to be replaced but enough were useable. We got to see many of the other planes he and his family have restored over the years. Some of them quite unique like the Boeing Passenger Biplane.

Of the 33,682 Corvettes built in 2000, 13,479 were Convertibles. 5,125 Corvettes were Light Pewter Metallic color code 11 and 13,320 had the 6-speed manual transmission for an additional \$815.

Corvette Black Book

February's featured car is the 2000 Pewter Metallic Roadster owned by Leon & Karen Dreger. The car has a 6-speed manual transmission with Gray interior. Leon & Karen took the photo near the Peace River in Alberta Canada.

SPOKANE CORVETTE CLUB MONTHLY MEETING January 16, 2010

The meeting was called to order at 8:20 p.m. by President Chuck Adams. This was the Club's annual meeting and dinner party. The only order of business was election of officers. Rex Reed was elected President, and Bill Moore was elected Vice-President, both by acclamation. Barb Beck and Bob Crabb have agreed to continue as Treasurer and Secretary respectively.

Outgoing President Chuck Adams recognized the contributions of Mike DeFreese, outgoing Vice-President, Barb Beck, Bob Crabb, and of course his lovely wife Lorie. In return he received a standing ovation from the members for his leadership over the last two years.

New President Rex Reed adjourned the meeting at 8:40 p.m.

Respectfully submitted,

Bob Crabb
Secretary
